## GENERAL INFORMATION

Abstracts must represent the work of the authors listed and appropriately referenced.

**Abstracts are limited to 400 words, not including the title and speaker bio.**

The use of "all caps" should be limited to acronyms generally accepted in the field and names of organization; the full organization name on first reference.

Submit each individual abstract to the appropriate committee. Review the list of committees carefully to determine which one might be most appropriate for your subject area. Abstract topics are available on the CSTE website at [www.csteconference.org](http://www.csteconference.org).

Duplicate abstracts will not be considered.

Concluding statements such as "to be completed" should be avoided.

All information should be reviewed prior to submission to ensure completeness; abstract revisions are permitted at any time before the abstract submission deadline.

Abstracts may not be modified after the submission deadline during the review period. Presenting authors may make minor changes after an abstract is accepted until the invitation response deadline.

**By submitting an abstract, please make sure you or an alternate presenting author are committing to attend the conference and giving the presentation if the abstract is accepted.** All presenting authors are required to register for the conference and pay related fees. CSTE does not provide a travel allowance, honorarium or reimbursement for attending the conference.

There are no restrictions on the number of abstracts you may submit or on the number of submissions you may be selected to present. Abstracts submitted to another conference may be submitted to the CSTE Annual Conference for consideration.

CSTE membership is not required but encouraged to submit an abstract.

## CHOOSING A PRESENTATION FORMAT

While the Program Planning Committee will attempt to honor the submitted format for presentations, this will not always be possible. For Breakout, Quick, Lightning and Poster presentations, an option is available to select consideration for an alternative format if the Program Planning Committee cannot accommodate your preferred format.

Findings are presented on a specific topic within a breakout session with the opportunity for audience Q&A. Presentations are approximately 18-30 minutes, with **only one (1) presenting author** slot available for the submitted abstract.

### QUICK PRESENTATION

Findings are presented on a specific topic within a breakout session with the opportunity for audience Q&A. Presentations are 10 minutes, with only **one (1) presenting author** slot available for the submitted abstract.

### LIGHTNING PRESENTATION

Findings are presented on a specific topic within a breakout session with the opportunity for audience Q&A. Presentations are five minutes, with only **one (1) presenting author** slot available for the submitted abstract.

### POSTER PRESENTATION

Presentations are limited **to up to two (2) presenting author** slots available for the submitted abstract. Abstracts submitted for roundtable presentation will not be considered for other presentation types. Roundtable sessions will not have audiovisual equipment available.

The steps in the submission process are shown as links in the left navigation panel. At any time in the process, you may navigate between steps to make revisions or corrections. By following the directions on each page in the submission process, you will automatically proceed through every step needed to submit an abstract.

## STEP 1 COMMITTEE AND TOPIC

### AVAILABLE COMMITTEES:
