ACCREDITATION STATEMENTS:

In support of improving patient care, this activity has been
planned and implemented by Centers for Disease Control and

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Prevention and **Council of State and Territorial Epidemiologists**. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team

CME: The Centers for Disease Control and Prevention designates this **live** activity for a maximum of **(12.25)** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **(1.2)** nursing contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **(1.2)** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **(12.25)** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **12.25**. Continuing Competency credits available are **12.25**. CDC provider number **98614**.

AAVSB/RACE: This program has been submitted (**but not yet approved**) for **(14.7)** hours of continuing education credit in jurisdictions which recognize AAVSB RACE approval; however participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education. **Call (*name and phone number of Provider contact*) for further information.**

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **(12)** CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, our presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the exception of :

Robert K. D. Peterson, PhD, MS, BS who would like to disclose that he provided expert consultation to AMVAC on its response to EPA's registration review of one of its products in fall 2020.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of:

Andrea Leal, MS, BS who will briefly discuss the use of Wolbachia and genetically modified mosquitoes as potential vector control tools.

CDC did not accept commercial support for this continuing education activity.

Planning committee discussed conflict of interest with Robert K.D. Peterson to ensure there is no bias.

If CEU only, Joint Provider: The Centers for Disease Control and Prevention and Council of State and Territorial Epidemiologists are jointly providing the CEUs for this activity.

CDC did not accept commercial support for this continuing education activity.
