Getting Started with the

CSTE VIRTUAL CONFERENCE PLATFORM

LOGGING IN FOR THE FIRST TIME

- 1** Prior to the Conference, go to the virtual platform login page at https://tools.eventpower.com/event_app/user/login/22CSTE or use the QR code.
- 2** Enter your email address as directed. **Note: Be sure to use the email you used to register.** If you need assistance, contact CSTE@support.eventpower.com.
- 3** Click “continue” and you will receive an email sent to the email address that was entered with a six-digit code.
- 4** Check your email for another message containing your secure six-digit login pin. **It may take a couple of minutes to receive this email, and please check your spam folders.**
- 5** Enter the login pin and create your own password.

The platform is best supported in Google Chrome and is **mobile friendly**. If you are using an older browser like Internet Explorer, please upgrade to Google Chrome, Firefox , Microsoft Edge for the best experience.

SUPPORT

If you are in the Virtual Meeting Platform, visit the CSTE Information Booth or live chat with us! Having trouble getting into the platform? Email our IT support line at CSTE@support.eventpower.com. We are monitoring during the event and will respond as soon as possible.

Maximize your EVENT EXPERIENCE

Your first stop in the virtual platform should be to the Edit Profile link in the top right corner of your screen. Please upload your photo and enable chat so you can engage with other members via the platform's chat feature (*orange bubble icon on the bottom right of your screen*). The conference agenda is set to Eastern Daylight Time, so do not forget to set your time zone if different from EDT.

After that, you'll want to explore the left-hand menu to discover all you can do on the event platform:

- Check out the Agenda to browse the agenda by day, add events to your personal schedule (*under My Agenda*), and download reminders to your calendar, so that you can come back to join Live Sessions during the conference dates. The Agenda includes all sessions – in-person, virtual, on-demand, and live streams.
- Check out the Poster Hall to view poster images, pre-recorded presentations, and accompanying files.
- Check out the Exhibit Hall to visit our virtual sponsor and exhibit booths and view accompanying video files and materials.
- Participate in this year's Virtual Points Race to win daily prizes! Earn points by visiting virtual sponsor and exhibitor booths, viewing virtual poster presentations, uploading your profile photo, chat with an attendee, and more.
- See who else is participating under Attendees and exchange Virtual Business Cards (*cards shared with you are saved in Favorites*).
- Initiate chats (*via video or text within the platform*) with attendees, speakers, sponsors, and exhibitors to connect with friends old and new.
- And MORE!

Welcome to the 2022 CSTE ANNUAL CONFERENCE

Agenda information is provided through the pocket agenda and virtual platform. The pocket agenda is as of May 6, 2022. The virtual platform is mobile friendly and can be accessed for agenda details and the latest information.

The 2022 CSTE Annual Conference is CSTE's first hybrid conference! Some sessions will be held in-person and others virtually. Schedule times are Eastern Standard for the event location and any sessions before 10:30 a.m. are only available in-person.

Sessions Scheduling **FORMAT DEFINITIONS**

IN-PERSON	Attendee participation only at the conference location in Louisville, KY
VIRTUAL	Attendee participation live online with other attendees from various locations
LIVE STREAM	Attendee participation both in-person and virtually at the same time
ON-DEMAND	Attendee may view recorded content at any time, available to both in-person and virtual attendees

Some sessions are held at the same time, but the virtual and in-person sessions will be separate sessions with distinct speakers and content, with the exception of the live stream sessions. Virtual attendees will not be able to participate in in-person breakout or roundtable sessions.

Break and lunch periods are concurrent for both in-person and virtual attendees.

General Information

IN-PERSON *Conference* CHECK-IN AND *Onsite* REGISTRATION

Attendee check-in and onsite registration is located at the Kentucky International Convention Center on Saturday through Wednesday.

Activity Posting Center (In-Person Only)

An in-person bulletin board is located inside the Networking Hall for attendees to post flyers, job openings, messages or special events.

DESK HOURS

Saturday

2:00pm – 5:00pm

Sunday

7:00am – 4:00pm

Monday

7:30am – 4:00pm

Tuesday

8:00am – 4:00pm

Wednesday

8:00am – 11:00am

Conference Evaluations

Please plan on giving us your feedback about the CSTE Annual Conference by completing a conference evaluation, which can be found on the virtual platform. All those completing an overall conference evaluation by July 22, 2022, will be eligible for our prize drawings.

Continuing Education Credits

CSTE is offering continuing education (CE) in partnership with the Centers for Disease Control and Prevention at the 2022 CSTE Annual Conference for doctors, nurses, health educators, veterinarians, those Certified in Public Health (CPH), and general practitioners. Up to 13 hours will be available at no additional cost, pending application approval, for attending conference workshops and plenary sessions. Instructions to claim CE will be posted on the conference website, available at the conference registration desk, and emailed to attendees after the conference.

General Information

Lactation Room (In-Person Only)

A lactation room is available in the Kentucky International Convention Center on the Main Concourse Level near Boardroom B.

Lost & Found (In-Person Only)

Items accidentally left in meeting rooms may be turned in at the CSTE Registration Desk. Any items not retrieved by the close of registration each day will be turned over to the convention center security.

Luggage (In-Person Only)

Due to security concerns and limited meeting space, CSTE cannot hold luggage for attendees. Please check with your hotel for options to store your luggage. Luggage should not be brought to a meeting room if it obstructs pathways in the room.

Meeting Locations (In-Person & Live Stream Only)

In-person and live stream conference sessions are at the Kentucky International Convention Center and Omni Louisville. Meeting rooms are displayed in color by venue on the floor plan and throughout the pocket agenda.

Position Statement Office

In-person computer stations are available for attendees to view and print proposed position statements and for position statement authors to edit and print proposed position statements. The office is available for extended hours on Wednesday for position statement authors. Printing and photocopying are only available for position statements. A virtual position statement office will also be available and can be found on the virtual platform.

or see the CSTE conference website at www.csteconference.org for more information. Be sure to use the conference hashtag **#CSTE2022** when posting to social media during the week.

General Information

Speaker Ready Room (In-Person Only)

Computers stations are available for presenting authors to upload or update their presentation no later than 24 hours prior to the start of their session. Printing is only available for presenting authors. Presenting authors may print one copy of their presentation if needed.

Wireless Internet (In-Person Only)

Complimentary wireless internet is available at the Kentucky International Convention Center.

Network: CSTE2022

Password: Unbridled!

After joining the network, acceptance of terms and conditions may be required. Attendees may be required to reauthenticate after inactivity. This is an open wireless network and CSTE nor the Kentucky International Convention Center can guarantee security, functionality or speed. Downloading, video streaming and inconsistent signal can reduce your device battery life. Additional complimentary wireless internet is available on **Free Wi-Fi**, which can be used for simple email checking (*no streaming or downloading*).

With complimentary wireless internet in the Kentucky International Convention Center, attendees should access emails and materials on their own laptop, tablet or smart phone as computers are not available for general use to access email or internet. Printing options are only available for position statements and presenting authors. Please check your hotel business center or concierge for computer or printing needs.

Questions

Additional onsite information is provided on the CSTE conference website at **www.csteconference.org** and virtual platform. If you can't find what you are looking for or have any questions, please see a member of the National Office Staff at the registration desk or visit the virtual CSTE Information Booth within the virtual platform.
