CONFERENCE

DISCUSSION GUIDELINES

Discussion sessions involve informative sharing of information on recent findings or innovative topics related to the accepted abstract with substantial opportunity for discussion among attendees. Most sessions only focus on one abstract, but occasionally two abstracts may be invited to a session. All sessions will take place at the meeting facilities in Pittsburgh, Pennsylvania. **Sessions will have adequate audio equipment for the meeting room, but will not have any additional audio-visual equipment, telephone/video conferencing equipment, telephones, or internet lines available.**

NEW FOR 2024

Roundtable sessions are now called Discussion sessions!

RESPONDING TO THE SPEAKER INVITATION

Formal letters of invitation are sent by e-mail from the CSTE national office by **Thursday, March 7, 2024**. Presenting authors for discussion sessions should respond to the invitation online no later than 11:59pm EDT on **Thursday, April 11, 2024**.

Submission of a discussion abstract implies that presenting authors are committed to making the presentation at the conference. Should circumstances change and a presenting author is unable to attend, then the author is responsible for finding a substitute presenting author. Presenting authors that fail to respond by the deadline will be considered accepted and expected to present. **Acceptance or withdrawal of an accepted abstract must be made no later than 11:59pm EDT on Thursday, April 11, 2024 through the Speaker Center.** A direct link to your personal Speaker Center can be found in your invitation e-mail. Withdrawals made after this date or failure to present an accepted abstract could result in disqualification from presenting an abstract at future conferences.

All presenting authors and moderators are expected to register for the conference and pay related fees. CSTE does not provide a travel allowance, honorarium, or reimbursement for presenting authors or moderators attending the conference. Presenting authors and moderators are encouraged to become CSTE members, but it is not a requirement to present at the conference.
